Your Menu of Solutions

CHOOSE ONE THAT SATISFIES YOU

About Us

Maha, founded in 1975, with headquarter in Singapore, is one of the foremost brands with strong focus in sustainable solutions and services in specialty chemicals and equipment distribution in Asia.

Our Vision	Our Mission
To be the preferred partner for: Our People, Our Customers, Our Suppliers	Dedicated in enriching lives through: Sharing Knowledge, Promoting Sustainability, Fostering Bonds

Living Sciences

Through a scientific study of life and nature, Living Sciences as a branch of science that involved living organism presenting us wonderful things of what science can do for a better life.

Maha as a leading specialty chemicals supplier and distributor is providing high quality chemical ingredient products to living organism especially for human daily use in various aspect of life.

Personal Care

Product List

Product	INCI Name		Description
Ultramild Surfactant			
	TEA-Lauroyl Collagen Amino Acids		Ultramild anionic surfactant which reduces irritation of other surfactants and impart a luxurious soft after feel.
	Potassium Lauroyl Wheat Amino Acids		Ultramild anionic surfactant which reduces irritation of other surfactants and impart a luxurious soft after feel.
	Sodium Lauroyl Hydrolyzed Silk Protein		Ultramild anionic surfactant which reduces irritation of other surfactants and impart a luxurious soft after feel.
	Sodium Cocoyl Hydrolyzed Wheat Protein		Ultramild anionic surfactant which reduces irritation of other surfactants and impart a luxurious soft after feel.
	Sodium Cocoyl Oat Amino Acids		Ultramild anionic surfactant which reduces irritation of other surfactants and impart a luxurious soft after feel.
Mild Surfactant			
Sodium Cocoyl Alaninate	Sodium Cocoyl Alaninate		Mild and moisturizing anionic surfactant, biodegradable, high foaming power in weak acid and neutral condition
Sodium Cocoyl Glutamate	Sodium Cocoyl Glutamate		Mild anionic surfactant, biodegradable, high foaming power in acid range
Sodium Lauroyl Glutamate	Sodium Lauroyl Glutamate		Mild anionic surfactant, biodegradable, high foaming power in acid range
Sodium Cocoyl Glycinate	Sodium Cocoyl Glycinate		Mild anionic surfactant, biodegradable, high foaming power in alkali
Potassium Cocoyl Glycinate	Potassium Cocoyl Glycinate		Mild anionic surfactant, biodegradable, high foaming power in alkali
Sodium Lauryl Sarcosinate	Sodium Lauryl Sarcosinate		Anionic surfactant with excellent stability and foaming in the pH range from strong alkaline to weakly acidic
Lauryl Hydroxysultaine	Lauryl Hydroxysultaine		Reducing the irritancy of anionic surfactants on the skin and eyes without reducing foaming effect
Sodium Methyl Cocoyl Taurate	Sodium Methyl Cocoyl Taurate		Good compatibility with other anionic surfactants, reducing irritation and improving foaming performance
WQ 1200 LG	Lauryl Glucoside		Nonionic surfactant, mild and biodegradable
WQ 2000 D	Decyl Glucoside		Nonionic surfactant, mild and biodegradable and good foaming performance and less irritation
WQ 215 C	Caprylyl/ Capryl Glucoside		Nonionic surfactant, mild and biodegradable from 100% natural source (corn, palm kernel)
WQ 818 CG	Coco Glucoside		Nonionic surfactant, superior in detergency, mild and high surface tension and used for baby product
Foam Booster			
Cocamidopropyl Betaine 35	Cocamidopropyl Betaine		As a foam booster in rinse off application
Cocamidopropyl Betaine 45	Cocamidopropyl Betaine		Anti static cleansing foam, boosting hair conditioning, skin conditioning surfactant, viscosity controlling
Everfoam AMCO	PPG-2 Hydroxyethyl Cocamide		Good alternatives for Cocamide DEA/Cocamide MEA; Good foam-increasing ability and foam stability
Cocamide DEA	Cocamide DEA		As a foaming agent and is used in bath products like shampoos and hand soaps, and in other personal care products as an emulsifying agent from coconut

Personal Care

Product List

Product	INCI Name	Description
Rheology Modifier		
Aquagel 35	Acrylates/Sodium Acryloyldimethyltaurate Copolymer & C13-14 Alkane & Laureth 7	It is a rheology modifier, stabilizer, thickener and emulsifier. It swells fast and allows to create gel or cream immediately without neutralization or heat.
Aquagel 35S	Polyacrylamide (and) C13-14 Isoparaffin (and) Laureth-7	Acts as a stabilizer, thickener and emulsifier. It provides fresh skin feel, smoothness and good fluidity. It swells fast and is easy to use. It is suitable for both hot and cold process.
Aquagel 35C	Polyacrylamide (and) C13-14 Isoparaffin (and) Laureth-7	Acts as a stabilizer, thickener and emulsifier. It provides fresh skin feel, smoothness and good fluidity. It swells fast and is easy to use. It is suitable for both hot and cold process. Higher salt tolerant property.
Aquagel 45	Polyacrylamide (and) C13-14 Isoparaffin (and) Laureth-7	Acts as a stabilizer, thickener and emulsifier. It can emulsify all kinds of oil and disperse pigment and physical sunscreen. It swells fast and allows to create gel or cream immediately without neutralization or heat. It is suitable for skin cream, creamy gel, as single or united emulsifier. AQUAGEL 45 is also used in make-up foundation & sunscreen cream and formula containing polar solvent, alcohol, polyol, silicone or AHA.
Polymerium T	Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Glyceryl Polyacrylate, Polyglutamic Acid	Preneutralised rheology modifier which does not leave stickiness.

Conditioning Agent		
POLYQUATERNIUM 750A	Polyquaternium-7	Conditioning agent
POLYQUTA 400	Polyquaternium-10	Conditioning agent
POLYQUTA 200L	POLYQUARTENIUM-4	Conditioning agent
POLYQUARTENIUM-73	POLYQUARTENIUM-73	Conditioning agent
	CTAC 30%	Hair conditioners and treatments are key components in hair care regimen to help achieve the type of hair feel and appearance that they desire. Ingredients such as conditioning quats and proteins can help to smooth hair, deliver antistatic properties, improve manageability, reduce frizz, and provide better body and texture.

Anti- dandruff		
	ZPTO 48%	ZPTO 48% is the most popular anti-dandruff ingredient in the world offering bactericide-fungicide efficacy in shampoos, conditioners and leave-on products. Lonza's ZPTO 48% products have been providing dandruff relief and improved scalp health for over 50 years.
Piroctone Olamine	Piroctone Olamine	Relieves dandruff, relieves itching sensation in consumer testing , targets the dandruff-associated yeast Malassezia sp. , compatible with transparent formulations, produced under EFCI GMP compliance in Switzerland

Personal Care

Product List

Product	INCI Name	Description
Anti-hair Loss Agent		
Actigrowth-10	Alanine/Histidine/Lysine Polypeptide Copper HCL	Effective hair growth peptide for Alopecic hair loss.
PHYTOCHEM® HAIR LOSS SP	Piridoxine Hcl, Biotin, Panthenol, Tocopherol Acetate, Zinc Chloride, Glutamine, Methionine, Acetylcysteine	Reinforces the internal structure of the hair fiber, Regulates the pilosebacea function, Helps to prevent hair ageing and protects color, Contributes and blocks DHT, reducing risk of hair loss, Enhances hair growth.
SULFOTRICO ® SP	Willow extract, Birch extract, Biosulfur, Cade oil	Regulates the secretion of the sebaceous glands associated with hair follicles. Helps with and prevens hair loss. Antiseptic and antiinflammatory properties.
Wasabi Flavone	Wasabia Japonica Root Extract	Hair loss reduction, and microbiome control on the skin
Hairdian AP-GL	Propanediol, Thuja orientalis Leaf Extract, Zingiber officinale (Ginger) Root Extract, T Trifolium pratense (Clover) Leaf Extract, Artemisia argyi Leaf Extract.	Promote autophagy of DPCs and up-regulate the expression of some cell growth factors, Promote synthesis of collagen XVII and regulate sebum secretion, Effectively reduce hair loss.

Anti-Hair Sebum, Anti-Hair damage		
PHYTOCHEM® SEBUM SP	Willow Extract, Sage Extract, Calendula Extract, Tomato Extract, Salicylic Acid	Antiinflammatory action, Antioxidant and photoaging protection, Refreshing properties, Keratolytic action, Antimicrobial action.
PHYTOCHEM® K+	Soy Hydrolyzate, Hydrolyzed Oats, Hydrolyzed Sweet Almonds, Wheat Hydrolyzate	Hair treatment at 7% reduces abrasive conditions from UV exposure, dehydration, or air pollutants that damage the hair cuticle. In addition, it also improves the cuticle of naturally damaged hair.
Scalpatron VGP	Dipropylene Glycol, Water, Polysorbate 20, Vitex trifolia Fruit Extract, Gentiana scabra Extract, Polygonum multiflorum Root Extract	Inhibit the synthesis of related inflammatory mediator, and relieve scalp itchiness effectively, Exhibit strong anti-oxidative ability, scavenge free radical and inhibit lipid peroxidation effectively.

Exfoliating & Abrasive Agent		
Imercare P Scrub	Perlite	Developed by patented engineered technology which combines the natural hardness of the volcanic rock with the softness of these spherical particles to provide a gentle, physical exfoliation effect.
Imercare Perlwhite 19	Perlite	Engineered to obtain optimized particle size and shape, making it an ideal, gentle, abrasion agent for toothpaste.
Imercare KaoBright	Kaolin	100% natural kaolin specifically designed as an alternative to abrasive silica in standard toothpaste.
Imercare Opaque	Kaolin	Natural kaolin opacifier designed to bring high opacity and whiteness in gel and shampoo formulations. It is specifically heat-treated to control microbial organisms
Imercare 04K	Kaolin	Fine particle size, natural, inert, hydrous kaolin designed for use in cosmetic formulations where rheology, absorption, and high whiteness are desired.

Personal Care

Product List

Product	INCI Name	Description
Anti-Allergic Agent		
Stresszero	Centella Asiatica Extract, Peucedanum Graveolens (Dill) Extract, Eruca Sativa Leaf Extract, Propanediol, 1,2-Hexanediol	Active for preventing, improving or treating inflammation, allergy or atopic skin
Probiotics ferment complex	Lactobacillus/Leuconostoc/Broccoli Extract Ferment Filtrate, Lactobacillus/ Leuconostoc/Blueberry Fruit Extract Ferment Filtrate,Lactobacillus/ Leuconostoc/Orange Fruit Extract Ferment Filtrate, Lactobacillus/ Leuconostoc/Coconut Fruit Extract Ferment Filtrate, Lactobacillus/ Leuconostoc/Tomato Fruit Extract Ferment Filtrate, Butylene Glycol	Probiotics can help store skin's pH, reduce oxidative stress, reduce the effects of sun damage caused by UV light, improve the skin's moisture barrier, and enhance hair quality.
Comthing SGS	Water, Butylene Glycol, Sophora flavescens Root Extract, Glycyrrhiza inflata Root Extract, Scutellaria baicalensis Root Extract	Inhibit the synthesis and function of inflammation factors, effectively sooth skin, reduce the permeability of blood vessel, alleviate inflammation symptoms such as redness, fever, swelling, etc.
Phytobaby CAP	Water, Butylene Glycol, Citrus aurantium tachibana Peel Extract, Artemisia capillaris Extract, Pueraria lobata Root Extract.	Take effects during initial, transmission and effect phase of eczema and relieve symptoms of redness, swelling and itchiness, Strengthen child's and baby's skin barrier and protect skin from external stimulants.
Calmnerv CR-GL	Water, Butylene Glycol, Citrus tatangerina Extract.	Inhibit the activation of TRPV1, and consequently reduce extracellular calcium influx; Relieve stinging and burning sensation of sensitive skin.
Anti-acne Agent		
Aczero	Salix Alba (Willow) Bark Extract, Camellia Sinensis Leaf Extract, Centella Asiatica Leaf Extract, Cladosiphon Okamuranus Extract	Natural solution for acne through sebum reduction, P.acne inhibition and anti-inflammation.
Napa-I	Tetrapeptide-44 & Phellodendron Amurense Bark Extract & Paeonia Suffruticosa Root Extract	A patented anti-acne mixture with anti-inflammation peptide and antimicrobial extracts.
Natori Vitalsome BK	Bakuchiol	Antioxidant, Anti acne
Aquatide	Hexacarboxylmethyl, dipeptide-12	It can reduce irritative acid, and only 3-7 days change from acne tendency oily skin.
Natori Totarol	Totarol	Antioxidant, Anti acne
Natori AC Complex	Podocarpus totara extract, Centella Extract, Mangnolia officinalis Extract, Olive leaf extract	Acne removal, Antiinflammatory, Antioxidation, Soothing
Calnomix	Chamomilla Recutita (Matricaria) Flower Extract, Acer saccharum (Sugar Maple) Extract, Portulaca Oleracea Extract, Butylene Glycol	Excellent anti-inflammation agent extracted from Chamomilla Recutita Flower, Acer saccharum and Portulaca Oleracea plants.
CICA Complex	Centella Asiatica Extract, Madecassoside, 1,2-Hexanediol	Centella asiatica and Madecassoside complex for soothing inflammation and wound healing.
Antisebum GMP	Dipropylene Glycol, Water, Polysorbate 20, Garcinia mangostana Peel Extract, Magnolia officinalis Bark Extract, Punica granatum Pericarp Extract	Regulate sebum secretion and keratinization process, inhibit bacteria and prevent Propionibacterium acne's breeding, interfere inflammatory factor's performance, and inhibit skin irritation arising from acne.

Active for Body Care

Celutrate	Organic iodine	Anti-celullite, It is an active that acts quickly and effectively on adiposities, Stimulates lipo-catalytic activity, It normalizes the subcutaneous fat pad both from a morphological and functional point of view, Very good skin tolerance
Celamina ®	Eucalyptus globulus leaf oil, Cinnamomum zeylanicum leaf oil, Mentha arvensis leaf oil, Zingiber officinale root oil	Anti-celullite, Stimulant of blood microcirculation, Powerful drainage and decongestion, Mobilization of accumulated toxins, Formulas against cellulite
Termogen	Citrus lemon peel oil, Rosmarinus officinalis leaf oil, Thymus mastichina herb oil, Citrus aurantium bergamia fruit oil, Lavandula hybrida herb oil, Methyl nicotinate	Anti-celullite, Rubefacient effect, Hygienizing and tonic, antioxidant, Enhance lymphatic drainage, Eliminating toxins
Phytochem® Firming Body SP	Amino acids, organic acids, sugar, peptides and proteins, centella asiatica extract, oat extract	Anti-strechmark, Moisturizes and tones the skin, Reaffirms the epidermis, Restores skin elasticity.

Personal Care

Product List

Product	INCI Name	Description
Whitening Agent		
Melazero	Arisaema Amurense Extract, Decyl Glucoside, 1,2-Hexanediol	Patented botanical fast-action 3rd generation whitening agent via novel autophagy mechanism
Melazero V2	Eriobotrya Japonica Leaf Extract, Mentha Viridis (Spearmint) Extract, Propanediol, 1,2-Hexanediol	Patented botanical fast-action 3rd generation whitening agent via novel autophagy mechanism
Peptide	Tranexamoyl Dipeptide-23	Patented functional whitening agent which has excellent effect in the treatment of freckles for skin.
Peptide	Nicotinoyl Dipeptide-22, Tranexamoyl Dipeptide-22, Lactobacillus/Lemon Peel Ferment Extract, Citrus Urantinum Dulcis (Orange) Peel Extract, Bifida Ferment Lysate	Patented whitening peptide cocktails with anti-oxidation and anti-photoaging.
V2G	Ascorbyl glucoside	Novel stabilised Vitamin C derivatives.
Vitagen	Aminopropyl Ascorbyl Phosphate	Novel stabilised Vitamin C derivatives for whitening and anti-wrinkle
Phytochem® DES SP	Hypoxis rooperi rhizome extract, Phyllanthus emblica fruit extract, Nelumbo nucifera flower extract, Camelia sinensis leaf extract, Alfa – hidroxi	Depigmenting, Activation of collagen synthesis, Moisturizing, Antioxidant, Antiinflammatory
Natori Lumisome RC	4-Butylresorcinol	More effective than Hydroquinone in whitening and when targeting freckles, Easy to use water-soluble type, oil soluble 4-Butylresorcinol is nano-captured as a hydrophilic solution.
Natori Melatonin 100	Melatonin	Skin Whitening, Anti-aging
Niacinamide CG	Niacinamide	Upregulates Aquaporin-3, Enhances skin tone, Helps improve the overall appearance of skin, reduce the appearance of acne revitalize hair to minimize hair fall and improve its overall appearance
Melatrepain	Pentasodium Tetracarboxymethyl Dipeptide-51, Pentasodium Tetracarboxymethyl Acetylhydroxypropyl Dipeptide-12	Combination of two skin brightening ingredients, PAR-2 antagonist for blocking pigment transfer
Gwhite multi-Herbs- II	Water, Butylene Glycol, Phyllostachys bambusoides Rhizome Extract, Lycium barbarum Fruit Extract, Sophora flavescens Root Extract, Pyracantha fortuneana Fruit Extract	Inhibit the activity of Tyrosinase and prevent the formation of melaninEffectively soothe skin with anti-inflammatory and anti-oxidative effects.
Gwhite TAA	Tranexamic Acid	Inhibit the activity of tyrosinase at the root by indirectly reducing the level of MITF and prevent the formation of melanin, Inhibit the synthesis of inflammatory mediator with strong anti-inflammatory effect, Highly safe, mild and non-irritant.
Gwhite VCE	3-o-Ethyl Ascorbic Acid	Inhibit the activity of tyrosinase and prevent synthesis of melanin, Effectively scavenge free radicals with strong anti-oxidative capacity, Promote synthesis of collagen and improve the complexion and elasticity of skin.
Gwhite VC-IP	Ascorbyl Tetraisopalmitate	Whitening: lighten skin, fade and remove spots, Anti-aging: improve the synthesis of collagen and reduce the wrinkles, Anti-oxidant: scavenge free radicals and protect cells, Anti-inflammation: prevent and repair acne.
Gwhite PT40 PG	Propylene Glycol, Glycyrrhiza glabra (Licorice) Root Extract.	Inhibit the activity of Tyrosinase and whiten skin efficiently, Scavenge free radicals strongly

Personal Care

Product List

Product	INCI Name	Description
Anti-aging Agent		
Peptide	Hexapeptide-9, Tripeptide-29, Tripeptide-1, Acetyl Hexapeptide-8, Lactobacillus/Collagen Ferment Filtrate	Effective non-invasive Botox-like peptide for anti-wrinkle.
Lifting Core	Hexapeptide-9, Hexapeptide-67 Palmitate, Hexapeptide-11, Acetyl Hexapeptide-8, Acetyl Tetrapeptide-5, Lactobacillus/Lemon Peel Extract Ferment Filtrate/Citrus Urantinum Dulcis Orange Peel Extract, Lactobacillus/Mesembryanthemum Crystallinum Extract/Collagen Ferment Lysate, Polyglutamic acid	Patented total anti-aging peptide solution with antioxidant, anti-wrinkle, skin regeneration, moisturising function.
Peptide	Hexapeptide-9, Tripeptide-29, Tripeptide-1, Acetyl Hexapeptide-8, Lactobacillus/Collagen Ferment Filtrate Extract/Volcanic Ash Ferment Filtrate	Patented anti-aging peptides cocktail with excellent wrinkle improvement.
BerryPep	Panax Ginseng Berry Extract, Lactobacillus/Ginseng Root Ferment Filtrate	Extract from rare Ginseng Berry which only grow once every 4 years, excellent anti-wrinkle and skin whitening.
Ectoin	Ectoin	Ectoin is an effective natural substance to prevent UVA-induced premature photoaging
Phytomarine Aegis	Olive,avocado and soybean oils, pollen extract	Anti-inflammatory and antioxidant, Cutaneous barrier improvement, Moisturizing, Reinforcement cell cohesion.
Elastform	Hydrolize Elastin	Revitalizes eye contour skin, Eliminates expression lines, Regenerates the skin, Tensor effect.
Natori Peptide Complex RHD	Acetyl Tetrapeptide 5, Palmitoyl Oligopeptide, Palmitoyl Pentapeptide 4, Palmitoyl Tripeptide 5, Glycine Max (Soybean) Polypeptide, Saccharomyces Polypeptides	Anti-aging & wrinkle, Stimulating Skin Basement Membrane Proteins Expression
Redumatte ASC-II	Cyclodextrin, Centella asiatica Extract	Fade new scars on skin and promote the healing of wounds, Improve collagen synthesis and slow down skin aging, Repair damaged skin after UV exposure.
Redumatte ECT	Ectoin	Improve immunity of skin cells, accelerate the self-healing of damaged cells, Resist damage on skin cell caused by surrounding pressure.
Immedeline PG-GL	Water, Prunus persica gum, 1,2-Hexanediol, Ethylhexylglycerin	Tightening and lifting: can form three-dimensional film on skin, which brings skin instant tightening and lifting feelings. Anti-wrinkle: The three-dimensional film formed by Immedeline PG-GL can effectively make wrinkles invisible.
Biomenta BF	Bifida Ferment Lysate, Glycerin, Pentylene Glycol.	Slows down cell aging by reducing nuclear damage, promoting HES1 and collagen I expression, enhancing mitochondrial activity, and inhibiting MMP3 expression, Improves skin elasticity and collagen density, delays the formation of wrinkles, and increases skin ITA°.

Personal Care

Product List

Product	INCI Name	Description
Moisturizing Agent		
Moistboom	Vaccinium Myrtillus Fruit Extract, Pueraria Lobata Root Extract, Phragmites Communis Extract, Trifolium Pratense (Clover) Extract, Propanediol, 1,2-Hexanediol	Inner skin real moisturizer which increases water content of outer and lower stratum corneum by increase hyaluronic acid synthesis, improves the water distribution in epidermal and improve skin barrier function for moisturisation for triple moisturising effect.
Hyaluronate AZ05	Sodium Hyaluronate, 1,2-Hexanediol	Total solution for mosituisation, fill up different skin layers with moisture.
Marine Collagen	Hydrolysed Collagen Extract, 1,2-Hexanediol	Natural skin firming agent in extracellular space.
Mucogen	Laminaria Japonica Extract; Undaria Pinnatifida Extract; Sargassum Fusiforme Extract; Sargassum Fulvellum Extract; Enteromorpha Compressa Extract	Marine plant derived mucin for moisturising and anti-aging.
Super Moisturising Max	Polyglutamic Acid, Sodium Hyaluronate, Dosium Acetylated Hyaluronate, Hydrolyzed Sodium Hyaluronate, Hydroxypropyltrimonium Hyaluronate, Lactobacillus/ Collagen/ Mesembryanthemum Crystallinum Leaf Extract Ferment Lysate	Ultimate moisturising effect from super moisturizer complex.
Trehalose	Trehalose	Trehalose is a sugar consisting of two molecules of glucose which helps to moisture the skin by trapping moisture into the skin.
Poly Glutamic Acid	Poly Glutamic Acid	Long-lasting moisturizing effect on the skin surface which form a soft film, enhance skin texture, enhance resistance to adverse environments.
Ceramide LC S20	Propylene glycol, hydroxypropyl bisstearamide MEA, butylene glycol, dipropylene glycol, behenyl alcohol, cetearth-20, cholesteryl isostearate, squalene, tricaprylin, cholesterol, cetearyl alcohol, stearic acid and dimethicone	Low melting point plant based ceramide which provides skin barrier function and also decreases TEWL.
Epidermina®	olive, avocado and soybean oils, pollen extract	Maintains the integrity of the skin barrier, Has a powerful nourishing effect and a natural moisturizing effect, Has a powerful restorative effect indicated for aged skin.
Hidramina®	Glucosamine HCl	Moisturising effect, Recovers the turgidity and elasticity of the skin, Maintains the water level of the skin creating a semipermeable membrane.
Phytomarine Detox	Minerals, microalgae	Improves the moisturising effect, Fortifies the basal layer, Ability to penetrate the inner layers of the skin, Inhibits neurotransmitters responsible for the inflammation process.
Natori Collagen Complex HD	Collagen Extract, Collagen Amino Acids, Collagen, Soluble Collagen, Hydrolyzed Collagen, Soluble Collagen Crosspolymer ,Zinc Hydrolyzed Collagen, Rosin Hydrolyzed Collagen, Atelocollagen	Safe, Natural and biodegradable moisturiser.
Natori Vita Complex HD (C)	Biotin, Panthenol, Thiamine HCl, Cyanocobalamin, Riboflavin, Pyridoxine, Folic Acid, Menadione, Bioflavonoids, Ascorbic Acid, Tocopheryl Acetate, Gluthathione	Safe, Natural and biodegradable moisturiser.
Gmoist BT99	Betaine	A component of Natural Moisturizing Factor that naturally exists in organism tissues, A superior moisturizer with a fresh hand-feeling and rapid skin permeability.
Gmoist HEU	Hydroxyethyl Urea	A superior moisturizer with strong water absorbing and retaining capacity, Improve skin feeling and thereby reduce the using level of conditioning agent in formula, Increase products' frost resistance and improve stability of the emulsifying products;
Gmoist Sea-Gel-H	Water, Glycerin, Fucus vesiculosus Extract, Butylene Glycol, 1,2-Hexanediol, Hydroxyacetophenone.	Regulate the formation of cornified envelope and participate in the construction of skin barrier, Resist cell drying and improve skin moisturizing ability.

Personal Care

Product List

Product	INCI Name	Description
Plant Extract		
Acai berry extract	Euterpe Oleracea Fruit Extract	Antioxidative, Skin moisturizing
Acerola cherry extract	Acerola Cherry	Treating skin blemishes, promoting skin elasticity, and aiding digestive issues
Aloe barbadensis leaf water	Aloe Barbadensis Water	Antioxidative, Skin moisturizing
Aloe leaf juice extract	Aloe Barbadensis Extract, Dipropylene Glycol	Antioxidative, Skin moisturizing
Aloe vera extract	Aloe Barbadensis Extract	Antioxidative, Skin moisturizing
Angelica acutiloba root extract	Angelica Acutiloba Root Extract	Brightening, reduces patchiness
Angelica keiskei extract	Angelica Keiskei Extract	Antioxidant Astringent Emollient Skin conditioning Skin protecting
Apple extract	Pyrus Mallus fruit Extract	Moisturizer, UV protection. Increase skin elasticity. Tighten skin. Reduce wrinkles. Antioxidant. Reduce Acne
Apple vinegar extract	Vinegar Extract	Anti-inflammatory, Antibacterial
Apricot extract	Prunus Armeniaca Extract	Antioxidative, antiinflammatory
Arctium lappa root extract	Articum Lappa Extract	Antibacterial, antioxidative
Arnica montana flower extract	Arnica Montana Flower Extract	Anti-inflammatory, and anti-microbial
Artemisia capillaris leaf extract	Artemisia Capillaris Leaf Extract	Skin moisturizing, anti-irritant
Artemisia vulgaris extract	Artemisia Vulgaris Extract	Skin moisturizing, anti-acne
Artichoke leaf extract	Artichoke Leaf Extract	Skin moisturizing, pore-tightening
Aspergillus hydrolyzed corn starch ferment filtrate	Aspergillus Hydrolyzed Corn Starch Ferment Filtrate	Antioxidant
Astragalus membranaceus root extract	Astragalus Membranaceus Root Extract	Antioxidant, anti-irritant
Averrhoa carambola fruit extract	Averrhoa Carambola Fruit Extract	Antioxidative, anti-inflammatory
Avocado extract	Persea Gratissima Extract	Antioxidative, anti-inflammatory
Bakuchiol extract	Psoralea Corylifolia Seed Extract	Antioxidative, anti-inflammatory
Bambusa arundinacea stem extract	Bambusa Arundinacea Stem Extract	Antiaging, help to produce collagen
Banana extract	Musa Sapientum Fruit Extract	Skin moisturizing, antioxidative
Barley extract	Hordeum Vulgare Extract	Antioxidant
Basil leaf extract	Ocimum Basilicum (Basil) Leaf Extract	Antibacterial, anti-inflammatory
Bay leaf extract	Laurus Nobilis Leaf Extract	Anti-allergic, hair loss
Bilberry enzy extract	Vaccinium Myrtillus Fruit Extract	Antioxidative, anti-inflammatory
Bit extract	Beta Vulgaris (Beet) Root Extract	Skin conditioning, reduce dark spot
Bitter orange flower extract	Citrus Aurantium Amara (Bitter Orange) Flower Extract	Brightening, reduces patchiness
Bitter orange peel extract	Citrus Aurantium Amara (Bitter Orange) Peel Extract	Brightening, reduces patchiness
Blackcurrant fruit extract	Ribes Nigrum (Blackcurrant) Fruit Extract	Antioxidative, anti-inflammatory
Black soybean extract	Black Glycine Soja Seed Extract	Antioxidative, soothing agent
Black walnut leaf extract	Juglans Nigra (Black Walnut) Leaf Extract	Skin conditioning, antiallergic

Personal Care

Product List

Product	INCI Name	Description
Plant extract		
Blueberry extract	Vaccinium Angustifolium (Blueberry) Fruit Extract	Anti-aging, brightening
Boswellia resin extract	Boswellia Serrata Resin Extract	Skin conditioning, antiaging
Broccoli extract	Brassica Oleracea Italica (Broccoli) Extract	Skin moisturizing, antioxidative
Butea superba root extract	Butea Superba Root Extract	Antioxidant
Butterfly pea flower extract	Clitoria Ternatea Flower Extract	Skin moisturizing, antiinflammation
Cabbage extract	Brassica Oleracea Capitata (Cabbage) Leaf	Antioxidative, Skin moisturizing
Caffeine extract	Caffeine	Antioxidative, improve puffiness
Calendula extract	Calendula Officinalis Flower Extract	Antiallergic, wound healing
Capsicum annuum fruit extract	Capsicum Annuum Fruit Extract	Antimicrobial, Antioxidant
Carrot extract	Daucus Carota Sativa (Carrot) Root Extract	Antiinflammatory, Antioxidant
Caulerpa lentillifera extract	Caulerpa Lentillifera Extract	Skin moisturizing, antiinflammation
Celery extract	Apium Graveolens (Celery) Extract	Antioxidant, antiinflammation
Centella asiatica extract	Centella Asiatica Extract	Skin moisturizing, antiirritant
Centella asiatica leaf water	Centella Asiatica Leaf Water	Skin moisturizing, antiirritant
Cereus flower extract	Cereus Grandiflorus (Cactus) Flower Extract	Skin conditioning, antiinflammation
Chamomile flower extract	Anthemis Nobilis Flower Extract	Antiinflammation, wound healing
Cherry blossom extract	Prunus Serrulata Flower Extract	Antioxidative, anti-inflammatory
Chesnut extract	Castanea Sativa (Chestnut) Seed Extract	Soothing agent, anti-irritant
Chia seed extract	Salvia Hispanica Seed Extract	Skin moisturizing, antioxidative
Chrysanthemum indicum flower extract	Chrysanthemum Indicum Flower Extract	Antiinflammation, skin conditioning
Cica complex	Centella Asiatica Extract, Madecassoside	Skin moisturizing, antiirritant
Citrus grandis fruit extract	Citrus Grandis (Grapefruit) Fruit Extract	Brightening, antimicrobial
Citrus nobilis peel extract	Citrus Nobilis (Mandarin Orange) Peel Extract	Brightening, antimicrobial
Citrus unshiu peel extract	Citrus Unshiu Peel Extract	Brightening, antimicrobial
Cladosiphon okamuranus extract	Cladosiphon Okamuranus Extract	Skin conditioning
Clove flower extract	Eugenia Caryophyllus (Clove) Flower Extract	Antiinflammation, antimicrobial
Cocoa extract	Theobroma Cacao (Cocoa) Extract	Antioxidant, skin conditioning
Coconut extract	Cocos Nucifera (Coconut) Extract	Skin moisturizing, antimicrobial
Coconut water	Cocos Nucifera (Coconut) Water	Skin moisturizing, antimicrobial
Coffee seed extract	Coffee Seed Extract	Antioxidant, skin conditioning
Coffee enzy extract	Coffea Arabica (Coffee) Seed Extract, Coffea Arabica (Coffee) Seed Powder	Antioxidant, skin conditioning
Colocasia antiquorum root extract	Colocasia Antiquorum Root Extract	Antiinflammation, antiallergic
Coltsfoot leaf extract	Tussilago Farfara (Coltsfoot) Leaf Extract	Antioxidant, Soothing agent
Comfrey root extract	Symphytum Officinale Root Extract	Skin moisturizing, antioxidative
Cotton seed extract	Gossypium Herbaceum (Cotton) Seed Extract	Skin conditioning, antioxidative
Cow milk extract	Milk Extract	Skin moisturizing, antioxidative

Personal Care

Product List

Product	INCI Name	Description
Plant extract		
Cranberry extract	Vaccinium Macrocarpon (Cranberry) Fruit	Antioxidative, antiinflammation
Cucumber odored extract	Cucumis Sativus (Fruit) Extract	Antioxidative, antiinflammation
Cucumber water	Cucumis Sativus (Fruit) Water	Antioxidative, antiinflammation
Cucumis sativus juice extract	Cucumis Sativus Juice Extract	Antioxidative, antiinflammation
Curcuma longa root extract	Curcuma Longa (Turmeric) Root Extract	Antioxidative, antiinflammation
Cymbopogon schoenanthus extract	Cymbopogon Schoenanthus Extract	Skin moisturizing, antioxidative
Daisy extract	Bellis Perennis (Daisy) Flower Extract	Antioxidative, brightening
Damascena flower water	Rosa Damascena Flower Water	Skin moisturizing, antiaging
Date fruit extract	Phoenix Dactylifera (Date) Fruit Extract	Antioxidant, brightening
Dragon fruit extract	Hylocereus Undatus Fruit Extract	Antiacne, soothing agent
Durio fruit extract	Durio Zibethinus Fruit Extract	Antioxidative, antimicrobial
Echinacea purpurea extract	Echinacea Purpurea Extract	Skin conditioning, antiaging
Edelwiss extract	Leontopodium Alpinum Flower/Leaf Extract	Antioxidant, antimicrobial
Eggplant fruit extract	Solanum Melongena Fruit Extract	Antioxidant, antimicrobial
Emblica extract	Phyllanthus Emblica Fruit Extract	Antioxidant, skin conditioning
Epimedium koreanum extract	Epimedium Koreanum Extract	Antioxidant, antimicrobial
Equisetum arvense leaf extract	Equisetum Arvense Leaf Extract	Astringent, wound healing
Evening primrose extract	Oenothera Biennis (Evening Primrose) Flower Extract	Antiaging, Skin moisturizing
Fig extract	Ficus Carica (Fig) Fruit Extract	Antioxidant, brightening
Finger lime caviar extract	Microcitrus Australasica Fruit Extract	Antioxidant, brightening
Galactomyces ferment filtrate	Galactomyces Ferment Filtrate	Skin moisturizing, antiaging
Garcinia mangostana fruit extract	Garcinia mangostana fruit extract	Antioxidant, anti-inflammatory
Garcinia mangostana peel extract	Garcinia mangostana peel extract	Antioxidant, anti-inflammatory
Gaultheria procumbens leaf extract	Gaultheria procumbens leaf extract	Anti-irritant, Skin moisturizing
Giant kelp extract	Macrocystis Pyrifera (Kelp) Extract	Antiseptic, anti-irritant
Ginger extract	Zingiber Officinale (Ginger) Root Extract	Anti-oxidant and anti-inflammatory
Ginkgo leaf extract	Ginkgo Biloba Leaf Extract	Antiaging, Skin moisturizing
Ginseng ferment extract	Lactobacillus/Ginseng Root Ferment Filtrate	Antiaging, brightening
Glycine soja seed extract	Glycine Soja (Soybean) Seed Extract	antioxidant and anti-inflammatory
Goji berry extract	Lycium	Antiaging, Skin moisturizing
Gold extract	Chinense Fruit Extract,	Antiaging, Skin moisturizing
Grape seed extract	Gold	Skin moisturizing, Skin conditioning
Green tea extract	Camellia Sinensis Leaf Extract	Antioxidant, antiaging
Green tea water	Camellia Sinensis Leaf Water	Antioxidant, antiaging
Guava fruit extract	Psidium Guajava Fruit Extract	Antioxidant, antiaging

Personal Care

Product List

Product	INCI Name	Description
Plant extract		
Hibiscus rosa sinensis flower extract	hibiscus rosa sinensis flower extract	Skin moisturizing, Skin conditioning
Hibiscus sabdariffa flower extract	hibiscus sabdariffa flower extract	Skin moisturizing, Skin conditioning
Honey extract	Honey Extract	Skin moisturizing, brightening
Honey ferment filtrate	Honey ferment filtrate	Skin moisturizing, brightening
Hops extract	Humulus Lupulus (Hops) Extract	Skin moisturizing, anti-inflammatory
Horse tail extract	Equisetum Arvense Extract	Antiaging, antimicrobial
Houttuynia cordata extract	Houttuynia cordata extract	Antiacne, soothing agent
Hydrolyzed gags extract	Hydrolyzed Glycosaminoglycans	Antioxidant, skin moisturizing
Hydrolyzed goat milk extract	Hydrolyzed Goat Milk Extract	Antiaging, brightening
Iris root extract	Iris Florentina Root Extract	Skin moisturizing, antiaging
Jasmine flower extract	Jasminum Officinale (Jasmine) Flower Extract	Soothing agent, antiinflammation
Jasmine rice extract	Jasmine Rice Extract	Soothing agent, antiinflammation
Jasmine water	Jasminum Officinale (Jasmine) Flower Water	Soothing agent, antiinflammation
Jeju camellia japonica flower water	jeju camellia japonica flower water	Antioxidant, anti-inflammatory
Jeju orange extract	jeju orange extract	Antioxidant, brightening
Kaempferia galanga root extract	kaempferia galanga root extract	Skin conditioning, skin moisturizing
Kaempferia parviflora rhizome extract	kaempferia parviflora rhizome extract	Skin conditioning, skin moisturizing
Kale leaf extract	Brassica Oleracea Acephala Leaf Extract	Antioxidant, brightening
Kefir extract	Lactobacillus/Milk Ferment Filtrate	Antiacne, antiinflammation
Kiwi extract	Actinidia Chinensis (Kiwi) Fruit Extract	Antioxidant, skin moisturizing
Kukui seed extract	Aleurites Moluccanus Seed	Soothing agent, antioxidant
Kumquat fruit extract	Kumquat fruit extract	Antiaging, antioxidant
Korean rice milk extract mihd	Oryza Sativa (Rice) Extract, Oryza Sativa (Rice) Starch	Brightening, antiblemish
Lactobacillus rice ferment filtrate	lactobacillus rice ferment filtrate	Skin moisturizing, antiaging
Ladys mantle leaf extract	ladys mantle leaf extract	Antiacne, antiinflammation
Laminaria japonica extract	laminaria japonica extract	Skin moisturizing, antiaging
Lavender extract	Lavandula Angustifolia (Lavender) Extract	Antiacne, antiaging
Lavender water	Lavandula Angustifolia (Lavender) Water	Antiacne, antiaging
Lemon extract	Citrus Limon (Lemon) Fruit Extract	Brightening, antioxidant
Lentil fruit extract	Lens Esculenta (Lentil) Fruit Extract	Soothing agent, antioxidant
Leuzp leaf extract	Leuzp leaf extract	Skin moisturizing, anti-inflammation
Leuzp complex	Leuzp complex	Skin moisturizing, anti-inflammation
Licorice extract	Glycyrrhiza Uralensis (Licorice) Root Extract	Brightening, antiaging
Licorice root extract	Glycyrrhiza Glabra (Licorice) Root Extract	Brightening, antiaging
Lime extract	Citrus Aurantifolia (Lime) Fruit Extract	Brightening, antiaging
Linum (linseed) seed extract	Linum (Linseed) Seed Extract	Anti-inflammation, anti-irritant

Personal Care

Product List

Product	INCI Name	Description
Plant extract		
Magnolia liliflora flower extract	Magnolia Liliflora Flower Extract	Anti-inflammatory, anti-microbial
Mango extract	Mangifera Indica (Mango) Fruit Extract	Skin conditioning, antiaging
Manuka honey extract	Honey Extract	Skin moisturizing, brightening
Marine collagen	Hydrolyzed Collagen Extract	Antiaging, Skin moisturizing
Marshmallow root extract	Althaea Officinalis Root Extract	Anti-inflammation, Skin moisturizing
Matricaria flower extract	Matricaria Flower Extract	Soothing agent, anti-inflammation
Matricaria flower water	Matricaria Flower Water	Soothing agent, anti-inflammation
Meteorite extract	Meteorite Extract	Skin moisturizing, brightening
Milk extract-j	Milk Extract	Moisturizing, Anti-irritant, Antiacne
Morinda citrifolia fruit extract	Morinda Citrifolia Fruit Extract	Anti-inflammation, Skin moisturizing
Moringa seed extract	Moringa Oleifera Seed Extract	Antiacne, antiaging
Mulberry extract	Morus Alba Fruit Extract	Brightening, antioxidant
Mulberry root extract	Morus Alba Root Extract	Brightening, antioxidant
Mungbean sprout extract	Phaseolus Radiatus Sprout Extract	Antiaging, anti-inflammation
Narcissus tazetta bulb extract	Narcissus Tazetta Bulb Extract	Antiacne, hair conditioning
Neem tree extract	Melia Azadirachta Extract	Antimicrobial, Antioxidant
Nelumbo nucifera leaf extract	Nelumbo Nucifera Leaf Extract	Skin conditioning, antiaging
Nettle leaf extract	Urtica Dioica (Nettle) Extract	Antiacne, wound healing
Nigella sativa seed extract	Nigella Sativa Seed Extract	Anti-aging, hair growth promoter
Oat extract	Avena Sativa (Oat) Kernel Extract	Antioxidant, skin conditioning
Olive fruit extract	Olea Europaea Fruit Extract	Wound healing, antioxidant
Onion bulb extract	Allium Cepa (Onion) Bulb Extract	Antiacne, antioxidant
Opuntia ficus indica extract	Opuntia Ficus Indica Extract	Skin moisturizing, antioxidative
Orange extract	Citrus Aurantium Dulcis (Orange) Fruit Extract	Brightening, antioxidant
Orange flower extract	Citrus Aurantium Dulcis (Orange) Flower Extract	Brightening, antioxidant
Paeonia suffruticosa root extract	Paeonia Suffruticosa Root Extract	Anti allergenic, Antioxidants
Papaya extract	Carica Papaya (Papaya) Fruit Extract	Anti-inflammation, antiacne
Peach extract	Prunus Persica (Peach) Fruit Extract	Antiaging, Calming agent
Pearl extract	Pearl Extract	Antiaging, anti-inflammation
Peppermint leaf extract	Mentha Piperita (Peppermint) Leaf Extract	Anti-inflammation, Skin rejuvenating
Perilla seed extract	Perilla Ocymoides Seed Extract	Anti-inflammation, antioxidative
Phaseolus angularis seed extract	Phaseolus Angularis Seed Extract	Antioxidant, skin conditioning
Pine bark extract	Pine Bark (Pinus Pinaster) Extract	Antiaging, anti-inflammation
Pineapple extract	Ananas Sativus (Pineapple) Fruit Extract	Brightening, gentle exfoliating
Pinus densiflora leaf extract	Pinus Densiflora Leaf Extract	Antimicrobial, antioxidant
Piper betle leaf extract	Piper Betle Leaf Extract	Brightening, antiacne

Product	INCI Name	Description
Plant extract		
Pomegranate extract	Punica Granatum Fruit Extract	Skin moisturizing, antiaging
Poria cocos extract	Poria Cocos Extract	Antiaging, Calming agent
Portulaca extract	Portulaca Oleracea Extract	Skin moisturizing, antiaging
Propolis extract	Propolis Extract	Skin moisturizing, antiaging
Prunus mume fruit extract	Prunus Mume Fruit Extract	Brightening, antioxidant
Prunus mume fruit water	Prunus Mume Fruit Water	Brightening, antioxidant
Pueraria lobata root extract	Pueraria Lobata Root Extract	Antiaging, antioxidant
Pulmonaria officinalis extract	Pulmonaria Officinalis Extract	Skin conditioning, anti-inflammation
Pulsatilla koreana extract	Pulsatilla Koreana Extract	Antimicrobial, skin conditioning
Pumpkin seed extract	Cucurbita Pepo (Pumpkin) Seed Extract	Antiaging, anti-inflammation
Pyrus communis fruit extract	Pyrus Communis Fruit Extract	Skin moisturizing, Skin conditioning
Radish extract	Raphanus Sativus (Radish) Root Extract	Anti-inflammation, antioxidative
Raspberry extract	Rubus Idaeus (Raspberry) Fruit Extract	Sun protection, anti-inflammation
Red swiftlet nest extract	Swiftlet Nest Extract	Skin moisturizing, antiaging
Rhodiola rosea root extract	Rhodiola Rosea Root Extract	Antioxidant, skin conditioning
Rice bran extract	Oryza Sativa (Rice) Bran Extract	Skin moisturizing, antiaging
Rosa damascena flower extract	Rosa Damascena Flower Extract	Anti-inflammation, antimicrobial
Rose hip extract	Rosa Canina Fruit Extract	Antioxidative, Skin moisturizing
Rose water fr	Rosa Damascena Flower Water	Antiinflammation, antimicrobial
Rosemary extract	Rosmarinus Officinalis (Rosemary) Extract	Skin moisturizing, anti-inflammation
Royal jelly extract	Royal Jelly Extract	Wound healing, antiacne
Royal jelly honey extract	Royal Jelly Extract	Wound healing, antiacne
Safflower extract	Carthamus Tinctorius (Safflower) Extract	Skin moisturizing, antioxidant
Saffron extract	Crocus Sativus Flower Extract	UV protection, anti-inflammation
Sage extract	Salvia Officinalis (Sage) Leaf Extract	Antiacne, skin conditioning
Sakura extract	Prunus Lannesiana Flower Extract	Brightening, antiaging
Saphora japonica extract	Saphora Japinoca Extract	Skin conditioning, antiaging
Scented geranium extract	Scented Geranium Extract	Brightening, anti-inflammation
Schisandra extract	Schisandra Extract	Antiaging, Skin moisturizing
Scutellaria baicalensis root extract	Scutellaria Baicalensis Root Extract	Antiaging, Soothing agent
Sea buckthorn extract	Hippophae Rhamnoides Fruit Extract	Antiaging, anti-inflammation
Sea weed extract	Fucus Vesiculosus Extract	Skin moisturizing, antioxidative
Sedum sarmentosum extract	Sedum Sarmentosum Extract	Antiaging, anti-inflammation
Serenoa serrulata fruit extract	Serenoa Serrulata Fruit Extract	Anti-inflammation and skin moisturising
Shea butter extract	Butyrospermum Parkii (Shea) Butter Extract	Anti-inflammation, wound healing
Silk amino acid	Silk Amino Acids	Antioxidant, Hair conditioning
Snail slime extract	Snail Secretion Filtrate	Antiaging, Skin moisturizing
Snow mushroom extract	Tremella Fuciformis (Mushroom) Extract	Skin moisturizing, anti-inflammation

Personal Care

Product List

Product	INCI Name	Description
Plant extract		
Sodium dna	Sodium Dna	Antiaging, Skin conditioning
Solidago virgaurea (goldenrod) extract	Solidago Virgaurea (Goldenrod) Extract	Skin conditioning, wound healing
Sophora japonica flower extract	Sophora Japonica Flower Extract	Brightening, antioxidant
Sophora root extract	Sophora Root Extract	Brightening, antioxidant
Sorbus aucuparia fruit extract	Sorbus Aucuparia Fruit Extract	Skin conditioning, anti-inflammation
Spearmint extract	Mentha Viridis Leaf Extract	Antioxidant, anti-inflammation
Spinach leaf extract	Spinacia Oleracea (Spinach) Leaf Extract	Anti-inflammation, reduce sun damage
Spirulina extract	Spirulina Platensis Extract	Antiaging, Skin moisturizing
Strawberry extract	Fragaria Ananassa (Strawberry) Fruit Extract	Brightening, antioxidant
Strawberry water	Fragaria Ananassa (Strawberry) Fruit Water	Brightening, antioxidant
Sugarcane extract	Saccharum Officinarum (Sugarcane) Extract	Skin moisturizing, Skin conditioning
Sunflower seed extract	Helianthus Annuus (Sunflower) Seed Extract	Antioxidant, antiaging
Sweet almond extract	Prunus Amygdalus Dulcis (Sweet Almond) Seed Extract	Skin moisturizing, antiirritant
Sweet cherry extract	Prunus Avium (Sweet Cherry) Fruit Extract	Skin moisturizing, anti-inflammation
Sxt ferment extract	Saccharomyces/Xylum/Black Tea Ferment	Antiaging, Skin hydrating
Tahiti vanilla extract	Tahiti Vanilla Extract	Antiaging, antiacne
Tangerine peel extract	Citrus Reticulata (Tangerine) Peel Extract	Brightening, skin conditioning
Tea tree extract pg	Melaleuca Alternifolia (Tea Tree) Leaf Extract	Antioxidant, anti-inflammation
Tea tree leaf water	Melaleuca Alternifolia (Tea Tree) Leaf Water	Antioxidant, anti-inflammation
Terminalia ferdinandiana fruit extract	Terminalia Ferdinandiana Fruit Extract	Antioxidant, brightening
Thyme extract	Thymus Vulgaris (Thyme) Extract	Anti-inflammation, antioxidative
Tinospora cordifolia root stem extract	Tinospora Cordifolia Root Stem Extract	Skin conditioning, antioxidant
Tomato extract	Solanum Lycopersicum (Tomato) Fruit Extract	Antiaging, reduce sun damage
Tremella fuciformis sporocarp extract	Tremella Fuciformis Sporocarp Extract	Skin moisturizing, anti-inflammation
Tribulus terrestris fruit extract	Tribulus Terrestris Fruit Extract	Skin conditioning, anti-inflammation
Turmeric root water	Curcuma Longa (Turmeric) Root Water	antioxidants, anti-inflammatory
Usnea barbata extract	Usnea Barbata (Lichen) Extract	Antimicrobial, anti blemish
Vanilla fruit extract	Vanilla Planifolia Fruit Extract	Antioxidant, Soothing agent
Verbena officialis leaf extract	Verbena Officinalis Leaf Extract	Anti-allergy, anti-inflammatory
Vigna radiata seed extract	Vigna Radiata Seed Extract	Antiaging, anti-inflammation
Wasabi extract	Wasabia Japonica Leaf Extract	antioxidant and antimicrobial
Watercress leaf extract	Nasturtium Officinale Leaf Extract	Skin moisturizing, promote collagen
Watermelon extract	Citrullus Lanatus (Watermelon) Fruit Extract	Antioxidant, antiaging
Wheat bran extract	Triticum Vulgare (Wheat) Bran Extract	Brightening, antioxidant
White lily extract	Lilium Tigrinum Extract	Anti-inflammation, Skin moisturizing
White tea extract	Camellia Sinensis Leaf Extract	Antioxidant, antiallergic
White willow bark extract	Salix Alba (Willow) Bark Extract	Gentle exfoliating, antioxidant
Witch hazel extract	Hamamelis Virginiana (Witch Hazel) Leaf Extract	Anti-inflammation, antiacne
Yeast extract	Hydrolyzed Yeast Extract	Antiaging, antioxidant

Personal Care

Product List

Product	INCI Name	Description
Plant extract		
Yogurt extract	Yogurt Extract	Antiaging, antioxidant
Yuzu extract	Citrus Junos Fruit Extract	Brightening, Antioxidant
Yuzu water	Citrus Junos Fruit Water	Brightening, Antioxidant
Zanthoxylum piperitum fruit extract	Zanthoxylum Piperitum Fruit Extract	Anti-inflammation, antiacne
Ziziphus jujuba fruit extract	Ziziphus Jujuba Fruit Extract	Brightening, skin conditioning

Carrier Oil		
Grapeseed oil, refined	Grapeseed Oil 	Carrier Oil
Olive, extra virgin oil	Olive, Extra Virgin Oil 	Carrier Oil
Almond oil, refined	Almond Oil 	Carrier Oil
Sea buckthorn seed carrier oil	Sea Buckthorn Seed Oil	Carrier Oil
Joboba oil refined	Joboba Oil 	Carrier Oil
Rice brand oil refined	Rice Brand Oil 	Carrier Oil
Rosehip oil, refined	Rosehip Oil 	Carrier Oil
Sunflower oil, refined	Sunflower Oil 	Carrier Oil

Chelating Agent		
GLDA-30	Tetrasodium Glutamate Diacetate	Readily biodegradable, with a high solubility over a wide pH range. It does not sensitize human skin, demonstrates enhanced biocidal boosting power and improved biodegradability properties.
MGDA-30	Trisodium Dicarboxymethyl Alaninate	Aminopolycarboxylate-based chelating agent which is used in countless applications to control metal ions in water-based systems, and is of highly effective for controlling water hardness ions as well as for cleaning surfaces, descaling boilers, processing textiles and preventing scale formation.

Sensory Agent		
KOKO ML-40	Menthyl Lactate	Long lasting cooling effect for personal care.
KOKO ML PLUS II	Menthol & Menthyl Lactate	Active cooling agent that delivers mild and long-lasting cooling effects. It also improves body odor and provide wound healing capability.
SINOSPHERE KOOL-BEADS-B2		Blue cooling beads which possess strong, long lasting cool feeling due to patented cooling agent.
SenseHot	Vanilin Butyl Ether	Easy to use warming agent compatible in wide pH range.
Slimauty VBE	Vanillyl Butyl Ether	Induce enduring and gentle warming sensation, Increase skin temperature, accelerate the burning of subcutaneous fat, and make body slim.

Product	INCI Name	Description
Essential Oil		
Orange EO	Citrus Sinensis	Natural Oil
Bamboo EO	Bambusa Vulgaris	Natural Oil
Lemongras EO	Cymbopogon Flexuosus	Natural Oil
Sweet orange EO	Citrus Aurantium Dulcis Peel	Natural Oil
Ylang-Ylang EO	Cananga Odorata	Natural Oil
Cotton seed EO	Gossypium Herbaceum Seed	Natural Oil
Lavender EO	Lavandula Angustifolia (Lavender)	Natural Oil
Lemon Oil EO	Citrus Limonum	Natural Oil
Flaxseed EO	Linum Usitatissimum. (Linseed) Seed	Natural Oil
Chaulmoogra EO	Taraktogenos Kurzii Seed	Natural Oil
Datier Du Desert EO	Balanites Roxburghii Seed	Natural Oil
Cerise EO	Carise	Natural Oil
Patchouli EO	Pogostemon Cablin	Natural Oil
Citronella Essential oil	Cymbopogon	Natural Oil
Blue tansy EO	Tanacetum Annuum	Natural Oil
Rosemary EO	Salvia Rosmarinus	Natural Oil
Cedarwood EO	Cedrus Deodora	Natural Oil

UV Filter		
OLESUN M	MethyleneBis-Benzotriazolyl,Tetramethylbutylphenol, Water, DecylGlucoside, PropyleneGlycol, XanthanGum	High efficient organic broad-spectrum UVA/UVB absorber in ultra-fine form by triple action — UV absorption, light scattering and light reflection.
PROSUN® A	Butyl methoxybenzoylmethane, Ethylhexyl salicylate	Tolerable sun filters for skin and mucous membranes, Low toxicity, Protection against UV-A and UV - B, Stabilized filter mix.
PROSUN® N	Octyl Methoxycinnamate, Benzofenone 3 and Homosalate	Easy incorporation, Tolerable sunscreens for skin and mucous membranes, Protection against UV-A and UV-B, Blend of sunscreens, Stabilized blend of sunscreens.
SUNSAFE BOT	Methylene Bis-Benzotriazolyl Tetramethyl butylphenol, Aqua, Decyl Glucoside, Propylene Glycol, Xanthan Gum	Broad spectrum UVA and UVB filter. It is 50% aqueous dispersion of colorless microfine organic particles, which are less than 200 ppm in size and is dispersible in the water phase of an emulsion. It increases the photostability of other UV-absorbers.
SUNSAFE BP4	Benzophenon-4	Water soluble product offers broad spectrum protection. It is not compatible with magnesium salts, particularly in w/o emulsions. A combination of an oil soluble UV filter and a water soluble UV filter gives the highest sun protection. It is approved for skin protection and widely used in sun preparations with sulfonic acid group neutralized, eg with Triethanolamine, sodium hydroxide
SUNSAFE OCR	Octocrylene	It is an oil soluble UVB absorber and short-wave UVA absorber, ideal for water-resistant formulations. Functions as a brilliant solubilizer for crystalline sunscreens & an effective stabilizer due to excellent photostability.
Solarepare MB	Propanediol, Magnolia biondii Flower Extract	Regulate damage associated molecular patterns (DAMPs) of sunburned cells, inhibit the release of various cytokines, Reduce vascular permeability and the production of endothelin-1 and ICAM-1, Protect skin before sun exposure, repair skin after sun exposure and alleviate skin erythema.

Personal Care

Product List

Product	INCI Name	Description
Mineral		
Imercare 400D	Diatomaceous Earth, Natural	Diatomaceous earth is the most water- and oil-absorbent product available on the market today, making it a highly effective absorption agent in deodorants and antiperspirants, and used in applications including skincare, make-up and personal hygiene.
Imercare 90P	Perlite	A natural exfoliant for anti-dandruff shampoo. It has been developed specifically with a soft exfoliation mechanism to remove dandruff, leaving the scalp feeling cleaner and more comfortable. It also boosts foam formation and generates a creamier lather.
Imercare 270P	Perlite	Engineered natural perlite additive selected for its gentle abrasive power. Provides a gentle exfoliation effect in body scrubs and shower gels.
Imercare 400P	Perlite	Developed as an eco-friendly alternative to polyethylene beads. It stimulates cell renewal by reducing the thickness of the top layer of skin cells.
Imercare 6M	Mica	Especially engineered to optimize particle size and lamellarity so as to provide cohesion and a luminous, transparent effect in pressed powders such as eye shadows, blushers and face powders.
Silicone		
Mirasil DM10 A2	Dimethicone	Volatile silicone fluids
Mirasil DM100 A2	Dimethicone	Volatile silicone fluids
Mirasil DM350 A2	Dimethicone	Volatile silicone fluids
Mirasil DM1000 A2	Dimethicone	Volatile silicone fluids
MIRASIL PEG-12 DM	PEG-12 Dimethicone	Silicone polyethers
MIRASIL D-DML	Dimethicone (and) Dimethiconol	Silicone gum in non-volatile carrier
PURESIL BSG-5041	Dimethicone (and) Dimethicone/ Vinyl Dimethicone Crosspolymer	Silicone elastomer gels, very good for moisturized feel
Mirasil CM5	Cyclopentasiloxane	Volatile silicone fluids
Mirasil C-DML	Cyclopentasiloxane (and) Dimethiconol	Silicone gum in volatile carrier
PURESIL BSG-5045 (16KGS)	Cyclopentasiloxane (and) Dimethicone/ Vinyl Dimethicone Crosspolymer	Silicone elastomer gels, very good for cushiony feel, and matte finish
MIRASIL C-DMP	Cyclopentasiloxane (and) PEG/PPG-18/18 Dimethicone	Silicone emulsifiers
MIRASIL ADM 211/403	Amodimethicone	Amino functional silicones
MIRASIL ADMH 395/3900/403	Propoxytetramethyl Piperidinyl Dimethicone	Hindered amine functional silicone fluids - radical scavengers, can be use for color dispersant, long lasting effect and water repellence
MIRASIL BALANCE	Cetyl PEG/PPG-10/1 Dimethicone	Silicone emulsifiers, very good as Pigment dispersant
PURESIL SF30	Perfluorobutylethyl Stearyl Dimethicone	Fluoro functional silicones, Excellent as antifrizz
PURESILTM ORG 01	C13-15 Alkane (and) Dimethicone/ Vinyl Dimethicone Crosspolymer	Silicone elastomer gels, Naturally-derived organic carrier, very good spreadability and has glow effect
PURESILTM ORG 02	C13-15 Alkane (and) Dimethicone/ Vinyl Dimethicone Crosspolymer (and) Silica	Silicone elastomer gels, Naturally-derived organic carrier, very good for Matte finished, Soft focus, and Thickening
MIRASIL MICROPEARL 40	Polymethylsilsesquioxane	Silicone powder resin, great for soft focus effect
MIRASILTM CAPRYLYL TSO	Caprylyl Methicone	Alkyl silicones, Excellent hydrocarbon compatibility, very good for Enhanced spreading, Reduced tackiness, Pigment dispersant
PURESILTM TFL 5	Trifluoropropyl Dimethicone	Fluoro functional silicones, great in thermal protection & frizz control
MIRASILTM BRIGHT	C15-19 Alkane (and) Diphenyl Dimethicone	Phenyl silicone gum blends with long lasting effect

Personal Care

Product List

Product	INCI Name	Description
Coffee Extract Base		
Kaffibre	Coffea arabica seed extract	An upcycled natural exfoliating Ingredient, which can replace plastic, microbeads, as well as being a cost effective alternative to other natural exfoliants.
Kaffage	Coffea arabica seed extract	A multifunctional biopolymer with patent anti- Glycation & anti-oxidant activity and broad application in anti Aging cosmetic formulation.
Kaffair	Coffea arabica seed extract	An upcycled coffee derived active that fortifies hair. combats loss and purifies fiber from pollutant, all without affecting the hair colors.
Kleanstant	Coffea arabica seed extract	An natural anionic surfactant derived from coffee by products, containing mainly potassium salt of palmitic and linoleic acid. long with polyphenols, tocopherols, & diterpens esters.

Preservatives		
Biotics T	1,2-Hexanediol, Capryl Glycol, Ethylhexylglycerin, Vitis Vinifera (Grape) Seed Extract, Pinus Densiflora Extract	Moisturizing preservative system for skin care product and facial mask.
EVERGUARD LAE-20	Ethyl Lauroyl Arginate HCl, Glycerin	Ecocertified natural preservative and safe ingredients which used in food.
EVERPRO LCG	Ethyl Lauroyl Arginate HCl, Caprylyl Glycol, Glycerin	Ecocertified natural multifunctional preservative. Suitable for preservative free system.
EVERGUARD PL	Polylysine	Ecocertified 100% natural amino acid based multifunctional preservative. Used as food preservative as well.
SURFSHIELD 1.5CG	Methylchloroisothiazolinone (and) Methylisothiazolinone	Extremely cost-effective, fast-acting, broad-spectrum antimicrobial that prevents deterioration and degradation of aqueous formulations caused by bacteria, fungi, and yeast.
K-CARE DM55	DMDM Hydantoin	Highly effective, water soluble antibacterial preservative.
SURFSHIELD PE91	Phenoxyethanol and Ethylhexylglycerine	Broad-spectrum solution comprised of a synergistic ratio of Phenoxyethanol and Ethylhexylglycerin.
Potassium Sorbate	Potassium Sorbate	Widely used as a preservative in foods, drinks, and personal care products. It is an odorless and tasteless salt synthetically produced from sorbic acid and potassium hydroxide.
K-CARE DMI	DMDM + IPBC	Preservation system that combines DMDM Hydantoin and Iodopropynyl Butylcarbamate (IPBC) for a dual mode of action, offering broad spectrum efficacy without auxiliary preservatives. This highly cost-effective, water-soluble preservative is stable in sunlight and over a wide range of temperatures and pH levels.
PHG-S	Phenoxyethanol	Preservatives in personal care products, cosmetics and toiletries. By itself, it delivers strong bactericidal efficacy against a wide range of bacteria. It can be combined with various antifungal products to give excellent broad spectrum protection, as well.
SURFSHIELD IPBCP	IPBC 10%	Fungicide antimicrobial that prevents the degradation of personal care formulations that can be caused by fungi and yeast in the form of an easy-to-use liquid.
K-CARE CPS	Chlorphenesin	Preservative found in a broad range of personal care products, cosmetics, and toiletries. Delivers strong fungicidal efficacy against a wide range of fungi. It can be combined with various antibacterial products to give excellent broad-spectrum protection as well.
SURFSHIELD PE73	Phenoxyethanol (and) Ethylhexylglycerin	Broad-spectrum solution comprised of a synergistic ratio of Phenoxyethanol (70%) and Ethylhexylglycerin (30%). Both ingredients are globally approved for use in a wide range of personal care applications.

Personal Care

Product List

Product	INCI Name	Description
Aesthetics Agent		
Imercare 11T	Talc	High-brightness and high-purity talc. Specifically heat-treated to control microbial organisms, imparts softness, a silky touch and a non-sticky feel to cosmetic formulations.
Imercare Dolce	Talc	Premium talc that imparts unique benefits in pressed powders; The most unctuous talc in the Imercare range and is the most cohesive talc in the Imercare range.
Imercare Velluto	Talc	Natural, high performance talc. It is engineered to obtain a high coverage effect in powder formulations. It is an ideal base for concealers and powder foundations where it imparts a silky, unctuous feel, an even skin look and a smooth satin finish.
Petals Red 105S03		Aesthetic agent
Petals Blue 105S05		Aesthetic agent
Petals Green 105S03		Aesthetic agent
Petals Pink 105D01		Aesthetic agent
Pearlets Gold (M)		Aesthetic agent
Pearlets Gold Vitamin A + Vitamin E		Aesthetic agent
Pearlets Gold vitamin E 14-18 mesh		Aesthetic agent
Softlets CTBZ-BH01		Aesthetic agent
Softlets CWWB-C07		Aesthetic agent
Softlets CWOJ-C02		Aesthetic agent
Colorlets Fruit Green T20190422		Aesthetic agent
Colorlets Blue 2020072931M		Aesthetic agent
Colorlets Pink 2019032721		Aesthetic agent
Colorlets Pink 20-30 mesh		Aesthetic agent
Colorlets Rose 02(M)		Aesthetic agent
Colorlets Blue 20-30 mesh		Aesthetic agent
Supercool O Gold		Aesthetic agent
Supercool O Blue (M) 2020101021M		Aesthetic agent
Supercool O White 2020040211M		Aesthetic agent
Supercool o Blue 18-25 mesh		Aesthetic agent
Supercool O Green (M) 18-25 mesh		Aesthetic agent
AC-A Gold White K07		Aesthetic agent

Origin	Product	INCI Name	Description
Surfactant			
UROCE	LABS	Linear Alkyl Benzene Sulphonic Acid	Surfactant for liquid detergent and dishwash
	SQ Degreaser 90	Blend of Surfactant	High efficiency all purpose cleaner and degreaser. It is ready to formulate with builders and water
		Quaternary coco alkylamine ethoxylate	Cationic surfactant consisting of alkyl-glycol ether ammonium methyl chloride as a powerful hydrotrope and degreasing booster with excellent solubilisation power
		Isotridecyl alcohol ethoxylate; C9-11 Alcohol ethoxylate	Nonionic surfactant designed for Polyoxyethylene nonylphenol 9 (NP9) replacement
UROCE	UROCE MOA-9	Blend of Surfactant	Low foaming NPEO-free surfactant with excellent wetting and dissolving properties at room temperature
		Hexyl-D-Glucoside; C9-11 Alcohol ethoxylate	Environmentally improved non-ionic surfactant blend with very good degreasing properties
		C6 Alkyl glucoside; C9-11 Alcohol ethoxylate; C10-16 Alcohol ethoxylate propoxylate; Ethanol	Optimized surfactant-nanosilica blend for degreasing, with no streaking and anti-soiling benefits
UROCE	SLES 70%	Sodium Laureth Sulfate	Nonionic surfactant has good foaming ability and strong cleansing power
PUJI	PUJI AS02-30	Sodium Lauroyl Sarcosinate	An anionic mild surfactant; Milder than SLES
UROCE	SLS Powder/Needle	Sodium Lauryl Sulfate	Surfactant for liquid detergent

Mild Surfactant			
	AEG 1511	Iso Octyl Glucoside	Most mild surfactant with moderate and stable foam
Jiangshu Wanqi Biotechnology	WQ 1200 LG	Lauryl Glucoside	Very mild nonionic surfactant made from renewable vegetal raw material, which is low toxic, no irritating and readily biodegradable. Does not need to rinse, especially suitable for no-clean formula such as hair care products and hair gel products
Jiangshu Wanqi Biotechnology	WQ 2000 D	Decyl Glucoside	Very mild nonionic surfactant, made from natural raw materials and readily biodegradable with excellent mildness, foaming performance and ability to reduce irritation
Jiangshu Wanqi Biotechnology	WQ 215 CG	Caprylyl/ Capryl Glucoside	Mild and natural nonionic surfactant that is soft againsts the skin, does not irritate eyes and good for hair. 60% solid content, light yellow liquid
Jiangshu Wanqi Biotechnology	WQ 818 CD	Cocoyl Glucoside	Nonionic mild and readily biodegradable surfactant superior detergency; Emulsifying; Good compatibility with anionic and amphoteric surfactants

Softening Agent			
Elkem	Mirasil PEG-12	PEG-12 Dimethicone.	Conditioning agent

Defoamers			
Elkem	SILCOLAPSE 722	Aqueous emulsion of polyorganosiloxanes	Non-ionic aqueous 20% active silicone antifoam and/or defoamer. It offers excellent antifoam and defoaming properties in a wide variety of aqueous applications including those with incidental food contact as well as food processing applications

Home Care

Product List

Origin	Product	INCI Name	Description
Rheology Modifiers			
	COMBIZEL HC100000P	Hydroxyethyl Cellulose (HEC)	Viscosity modifier, water retention agent, suspending agent, binder, stabilizer, and protective colloid
GLASSVEN	Dentsil DS-230	Precipitate Silica	Viscosity control agent due to its fine particle size and high structure; which offers good thickening properties and outstanding transparency in clear gel toothpastes
	CMC 	Sodium CMC	CMC is the basic ingredient of powder detergent, especially non phosphorus powder. It has the characteristics of colloid. When used in detergent powder, it can stabilize the bubble, protect both hands and effectively prevent washes from being contaminated after washed by synthetic detergent
	HPMC	Hydroxymethyl cellulose	Hydroxypropyl Methylcellulose Hpmc FOR DETERGENT THICKENER
UNICHEM	Garam Halus K25 	NaCl	As Thickener, white, powder, clean without anti caking
UNICHEM	Garam Halus Refina 	NaCl	As Thickener not easy to caking cause of anti caking
Sumatraco Langgeng Abadi, PT	Garam Halus TPO 	NaCl	As Thickener, low grade for liquid detergent
HANNONG CHEMICAL INC	HK- 940	Carbomer	Emulsifier; has the ability to absorb and retain water when it's neutralized by aklali to form clear gel
3V Sigma	Polygel Z2	Carboxyvinyl polymer	Easily dispersible rheology modifier
Coatex	Rheosolve T450	Polyurethane in aqueous solution	Designed for all types of water based acidic formulations
Coatex	Rheosolve T637	Acrylic copolymer	Very high thickening effect, non hazardous, specifically designed for the household, industrial and institutional detergent industry
Coatex	Rheosolve 700S	Acrylic copolymer	Rheology modifier dedicated to thicken and suspend particles in all type of home care, household or industrial and institutional cleaning products; excellent ability to suspend particles in fluid formulations and provides an elegant smooth flow; It fosters the dispersion of all type of particles without the need of dispersant
Coatex	Rheosolve T633	Acrylic copolymer	For high pH condition (Alkaline Cleaner)
Coatex	Rheosolve T650	Acrylic copolymer	For high dosage of surfactant

Chelating Agents			
SINO LION USA	Evermild GLDA 30	Tetrasodium glutamate diacetate	Readily biodegradable, with a high solubility over a wide pH range
SINO LION USA	Evermild MGDA	Trisodium Dicarboxymethyl Alaninate	Strong chelate for hard water and transition metal ions
	DTPA Acid	DTPA Acid	Used in soaps as a water softener, and it is also used to protect dyes and perfumes from combining with metals in solution, etc. DTPA can be used as a highly effective chelating agent
	Sodium Gluconate	Sodium Gluconate	Used as a natural preservative. It prevents the growth of microbes in our products to keep them safe for our consumers. It also works as a chelator (or sequestrant) which helps cleansing products to foam better in hard water

Home Care

Product List

Origin	Product	INCI Name	Description
Foam Booster			
	CAPB 	Cocoamidopropyl betaine	Foam booster, mild amphoteric secondary surfactant, thickening agent
VANCE BIOENERGY SDN. BHD	CAPB KG30	Cocoamidopropyl betaine	Foam booster, mild amphoteric secondary surfactant, thickening agent
VANCE BIOENERGY SDN. BHD	CDE K82/PKDE 82	PalmKernel DEA	82% content of lauric based, readily biodegradable surfactant, foam booster
ORIENTAL	PKDE 90	PalmKernel DEA	90% content of lauric based, readily biodegradable surfactant, foam booster, good tolerance to hard water
	CDE 	Cocoamide DEA	82% content of coconut based, readily biodegradable surfactant, foam booster
VANCE BIOENERGY SDN. BHD	CDE C90	Cocoamide DEA	90 % content of coconut based, readily biodegradable surfactant, foam booster, good tolerance to hard water
SINO LION USA	Everfoam AMCO	PPG-2 Hydroxyethyl Cocamide	Good foam-increasing ability and foam stability, mild and compatible with the anionic surfactants

Preservatives			
	CMIT 14 %	CMIT MIT 14 %	Broad-spectrum liquid preservative designed to inhibit the growth of bacteria, yeast, and fungi in aqueous systems
HANNONG	PHENOXY-ETHANOL	Phenoxyethanol 	Preservatives
MUPRO	POTASSIUM SORBATE	Potassium Sorbate 	Preservatives food grade
WUHAN YOUJI	SODIUM BENZOATE POWDER	Sodium Benzoate	Preservatives food grade
	Sodium N-(hydroxymethyl) glycinate	Sodium N-(hydroxymethyl) glycinate	Highly convenient liquid biocide provides broad spectrum antimicrobial activity
	BIT + Sod Phyritione	BIT + Sod Phyritione	Preservative effective for liquid detergent

Insecticide			
	Dimefluthrine	Dimefluthrine	A pyrethroid pesticide with a broad spectrum, acting by contact, inhalation and repellent by its strong knockdown and killed capability
	Transfluthrine	2,3,5,6-tetrafluorobenzyl (1R,3S)-3-(2,2-dichlorovinyl)-2,2-dimethylcyclopropanecarboxylate	High effective and low toxic pyrethroid insecticide with a broad spectrum of activity

Optical Brightener			
3V Sigma	Optical MTB	Stilbene derivative brightener	Optical brightener for Soap bar & > 15% surfactant
3V Sigma	Optiblanc NL	Stilbene derivative brightener	Optical brightener for White colour

Home Care

Product List

Origin	Product	INCI Name	Description
Anti-bacterial			
	Colloidal Silver	Colloidal Silver	Antibacterial for multi purpose cleaner
	Parbfree IPMP	O-CYMEN-5-OL	Strongly inhibit mold
	CHG 20%	Chlorhexidine digluconate	Disinfectant and antiseptic. Effective against a range of microorganisms
	PCMX	Chloroxylenol,-4-chloro-3,5-dimethylpheno, p-chloro-m-xyleneol	Low toxicity biocide specifically developed for the complete microbiological protection of water-based products against bacterial and fungal spoilage in the wet state
	BKC 50%	Benzalkonium Chloride 50%	Efficiently withhold algae propagation and sludge reproduction. Benzalkonium Chloride also has dispersing and penetrating properties, can penetrate, and remove sludge and algae, has advantages of low toxicity, no toxicity accumulation, soluble in water, convenient in use, unaffected by water hardness
	BKC 80%	Benzalkonium Chloride 80%	
	GD 50	Glutaraldehyde	Disinfectant for surgical instruments that cannot be heat sterilized
	DDAC	DDAC	Quarts, effective as disinfectant
	PHMB 20	PolyHexaMethylene Biguanide	Cationic biocide for disinfection, or as an in-can preservative for other products

Stain Removal			
	Hydrogen Peroxide 50%, 35%	Hydrogen Peroxide	Stain removal and bleaching agent for liquid detergent and multi purpose cleanser
	Enzyme	Enzyme	Stain removal and bleaching agent for liquid detergent and multi purpose cleanser

Dispersant & Anti-redeposition			
Coatex	Rheosolve D5S	Polyacrylic acid; sodium salt (45%)	Highly effective dispersing agent; prevents soil and mineral redeposition and presents good chlorine compatibility
Coatex	Rheosolve D15AS		Dispersing Agent for automatic dishwasher

Home Care

Product List

Origin	Product	INCI Name	Description
Others			
Angus	AMP 95	2-Amino-2-methyl-1-propanol	Neutralizer with % content of >89%
Jiangsu Maida	BHT 	Butylated hydroxytoluene	Maintains freshness or prevents spoilage and anti-oxidant
Borica	Cytron TBC	Tributyl citrate	Plasticizer widely used in PVC and cellulose derivatives
	PEG-40 Hydrogenated Castor Oil	PEG-40 Hydrogenated Castor Oil	Solubilizer
Teck son Hong	Eucalyptus Oil Globulus 80% 	Eucalyptus Oil Globulus	Essential oil
Vance	Glycerine Refined 	Glycerin	Humectant
Glassven	Pirosil PS-300	Silicon dioxide	Free flowing and anticaking agent
	Sodium Formate 	Sodium Formate	Stabilizer for Enzyme
ECOORI	Sodium PCA 	Sodium PCA	Emmolient Agent
	Propylene Glycol 	Propylene Glycol	Humectant & Solvent
Pulau Sambu	Coconut Oil 	Coconut Oil	Humectant & Solvent
	Sunflower Oil 	Sunflower Oil	Humectant & Solvent
	Castor Oil 	Castor Oil	Humectant & Solvent
